Race '4' Life Scavenger Hunt

Official Race Rules

1. Teams of 4 to 8 persons will compete by performing tasks, retrieving items, or following clues from the game list provided at the start of the Scavenger Hunt. *Essentially, anything we tell you to do.*
2. The Scavenger Hunt will begin promptly at 1 pm and will end at exactly 5 pm. Teams must be inside the doors of the Rose Garden by 5 pm to be counted. *Please, no pushing and shoving.*
3. A digital camera or camera phone will be needed to document successfully completed tasks. *We have an old Sony camcorder we will lend out – first come, first served.*
4. Each team will complete a task in the order they arrive at a site. *Refer back to Rule 2 – no tripping each other either!*
5. Race participants are limited to paid entrants. *Please leave the dog at home, unless he gets an allowance.*
6. Teams must be in the doors of the Rose Garden by 5 pm to qualify. *We cannot stress this enough . . . (Refer to rule #2)*
7. Your team must stay together at all times – you may not split up except to drive as a team to your locations. *We will be watching – all car flags are equipped with invisible (but highly reliable) cameras, GPS's, and the latest in audio surveillance.*
8. All decisions by the judges are final. *We just love this feeling of power.*
9. All car flags must be returned at the end of the Scavenger Hunt. *We will need to review the surveillance tapes and do necessary upgrades, downloads, imports, exports and Excel Spreadsheets.*
10. You are responsible for the items you bring back. Anything left at the end of the evening will be disposed of by May 15, 2011. *Unless it's really some good stuff.*

NOTE: WE FOUND A SINGLE VEHICLE KEY (CHEVROLET) ON A WIRELESS KEY TAG LEFT AFTER LAST YEAR'S SCAVENGER HUNT. UNFORTUNATELY YOU DIDN'T LEAVE THE VEHICLE, SO WE HAVE NO USE FOR THE KEY. OWNER MAY PICK IT UP AT THE REGISTRATION TABLE, ASSUMING THEY HAD SO MUCH FUN LAST YEAR THAT THEY ARE HERE AGAIN!!!!!!

Have a great time! We'll see you back at 5 pm! (I think we may have mentioned that already 😊)
